TEAM PLACEMENTS

Because All Star cheerleading is scored based upon the execution of tumbling, jumping, dancing, motion technique, stunting, performance, and choreography, all these skills will be taken into consideration to determine which athlete will be placed on which team. Athletes will be looked at on an individual basis when placing them on a team. All team placement decisions made are based on the coaches' discretion. Our focus is to build the strongest teams possible that will score in the high range and to make sure each athlete is on a team where they can excel and contribute the most. Please trust our staff to build teams that will be successful on the competition floor. Execution is a key category on the score sheet. It is our goal to have MORE THAN THE MAJORITY of athletes on one team participate in ALL LEVEL APPROPRIATE SKILLS. There may be exceptions made.

Cheer Team Policies

Attendance

Attendance is crucial to the success of the team. An absence is unexcused when it is not given (and must be approved) via an ABSENCE REQUEST FORM at least TWO WEEKS in advance of practice. Two tardy appearances (more than 10 minutes late) = 1 unexcused absence. This is a team sport and all members of the team are required in order to have the most productive practices.

Valid reasons for missing practice:

- Emergency or contagious illness (documented by a doctor's note)
- Death in the family
- School event for a grade (must be notified 2 months in advance)

Practices are mandatory the two weeks prior to a competition. If an athlete misses a practice during this time, they forfeit their opportunity to compete and no refunds will be given. No exceptions. Any injury that causes an athlete to miss two or more practices will require a doctor's note to return. The athlete must be able to return to 100% capacity in order to be re-choreographed back into the routine. If the athlete is unable to return to the position that he/she held prior to injury, the athlete may be included only as an alternate to the team. If another spot may open, then the athlete may return. If a Summit bid is obtained while an athlete is injured, the owners reserve the right to determine which athlete will be included on the Summit roster.

Highly competitive teams are unable to allow excess absence for vacations and family parties. In the summer, two weeks of vacation will be permitted. Vacation in excess of two weeks may result in an athlete forfeiting their position on a team. The potential consequences may include but are not limited to the athlete being placed on a lower level/less competitive team and/or dismissal from the program completely. In this case, NO REFUNDS will be given, and the athlete is responsible for all outstanding balances.

THERE ARE ABSOLUTELY NO EXCUSED ABSENCES FROM A COMPETITION AND/OR PERFORMANCE

Practice Rules

- Shoes must be worn at all times.
- Appropriate apparel, including bow for female athletes, assigned by coaches must be worn to practice. All coaches have the right to sit an athlete if they are not in the appropriate attire. No credits or refunds will be given.
- Hair longer than shoulder length must be secured in a ponytail
- Cell phones must remain on silent and stay in your bag.
- Bags should be left in designated storage locations.
- Leave your valuables at home; we are not responsible for lost or stolen items.
- No jewelry; it's a safety issue.
- Athletes are expected to be respectful to staff, parents and teammates, both in the gym and at competitions. Inappropriate behavior can result in expulsion from practice or immediate dismissal without refund.
- No gossiping in person or on social media.
- No food or drinks allowed in the gym except water.
- Observation at the gym is welcomed for recreational tumbling classes and private lessons but it can be distracting to athletes. We need every athlete's 100% focus on their routine, their teammates and their coaches. Only the athletes and coaches are allowed on the floor and on the equipment. To that end, most practices are closed to spectators. The week of competition, coaches may open the end of practice briefly to allow friends and family to have a sneak peek of the team's progress.

Parent/Athlete Program Policies

- It is the responsibility of the parent to stay informed. Please check email and our website regularly. If you are not receiving emails, contact the gym right away.
- The only people allowed in the gym are athletes and staff. Parents, friends and relatives must remain in the viewing area. The adult viewing area must remain supervised. Young children cannot be left unattended.
- You cannot create or sell your own Evolution Cheer, Inc. clothing. The name, team names and all Evolution Cheer logos are copyrighted. All ideas must be approved by management.

- No animals in the building.
- No profanity or rude language.
- Punctuality is a must. Always arrive at least 10 minutes early.
- Please do not interrupt practices. If you have a question or concern please request a meeting with your coach or management before or after practice.
- Practice schedules can change. We will add practices before any competition.
- Please do not share your opinion about the routine or choreography. We hire experienced and talented staff who will make sure every team is performing at their full potential.
- Coaches/management reserve the right to close and/or open practices at any time.
- Withholding your child from practice as a form of discipline is unfair to the rest of the team.
- We encourage celebrations for birthdays and accomplishments. Please work with your coach to find a time that works best for the team.
- All athletes are expected to be at every practice. Excessive unexcused absences will not be tolerated and are grounds for removal.
- Please make front desk aware of all illness, allergies and/or medication. Please report any injuries to the Evolution Cheer, Inc. staff immediately.
- The use or possession of illegal drugs, alcohol or tobacco by any athlete is prohibited and will result in dismissal or suspension from the team.
- We at Evolution understand additional commitments to extracurricular activities or school sports and desire an atmosphere of mutual respect for both Evo and other coaches' teams and schedules. If such activities affect your performance and attendance at Evolution, we may ask you to choose between activities.
